#### Do You Remember Rock'n' Roll Radio

Do you remember Hullabaloo, Upbeat, Shinding and Ed Sullivan too? Do you remember rock'n'roll radio? Do you remember rock'n'roll radio?

Do you remember Murray the K, Alan Freed, and high energy? It's the end, the end of the 70's It's the end, the end of the century

Do you remember lying in bed
With your covers pulled up over your head?
Radio playin' so no one can see
We need change, we need it fast
Before rock's just part of the past
'Cause lately it all sounds the same to me
Oh oh oh, oh oh

## **Hey Pocky a-Way**

Little bitty boy with a heart of steel He can't move it now, But his sisters sure will Yeah

Feel good music, I've been told Good for the body and it's good for your soul

You can do it now

Hey hey hey, Hey pocky a-way Hey hey hey, Hey pocky a-way

Right back grooving, Driving in the car It don't make no difference where you are

Feel good music in your soul Make your body, Do the slow boogie roll

Then here we say

Hey hey hey, Hey pocky a-way Hey hey hey, Hey pocky a-way

Alright!
